## DECEMBER 2015

**TOWN OFFICE:** During the months of December, January and February, residents that wish to leave their water running to prevent their water lines from freezing, can sign up at the Town Hall and be billed their average usage. We will take the last two months usage and average it for you. This applies to residents only.

The Town Office will be closed on Friday, December 25, 2015 and Friday, January 1, 2016.

**THEATRE COMMITTEE:** The Town has applied for a Planning Grant through the Wyoming Business Council to help us begin the restoration project of our Historic Theatre. We appreciate all of the donations we have received and will keep everyone updated on our progress. We plan on continuing to have fund-raisers and activities to raise money for the project.

**RECREATION DEPARTMENT:** Santa Clause is coming to town on Friday, December 18, 2015. You can visit with Santa at the Recreation Hall beginning at 6:00 p.m. Snacks for the treat table are welcome. Following visits with Santa, the Fire Department will be escorting Santa around town delivering gifts. If you would like Santa to deliver a gift to your child, please call the town office at 324-3058 for more information.

**FIRE DEPARTMENT:** Please keep your chimneys clean. The Fire Department has chimney brushes and extension rods for your use. Call the town office for more information.

**POLICE DEPARTMENT:** The police department would like to remind everyone that pet licenses expire December 31<sup>st</sup> and need to be renewed each year. Pet licenses can be purchased and renewed at the Town Office. Proof of rabies vaccination must be provided. This applies to dogs and cats.

**STREETS DEPARTMENT:** The maintenance department would like all residents to move your vehicles from the street when we have a heavy snowfall. This will allow them to plow the streets without plowing in your vehicle.

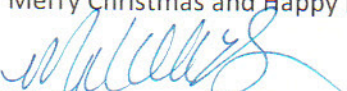

To help make our community safer for our residents that walk around town, we would like to ask all residents to please shovel the snow from your sidewalks.

The town has received a loan from the State Land & Investment Board to replace the 90 year old water and sewer mains in Lincoln Avenue from the refinery to the Corner Bar. This project will begin next spring.

RECYCLING: Please break down your cardboard boxes before placing them in the recycling bin. We would appreciate your cooperation in this important matter.

TOWN BUILDINGS: Please remember to turn the heat down and turn off the lights in the exercise rooms in the Library building when you leave. You must sign in when using the facility. Sign in sheets are provided in each room.

Merry Christmas and Happy New Year!

Michelle Serres, Mayor

TOWN OF SINCLAIR'S 75' CHRISTMAS TREE IN THE PLAZA
